

## RoHS Compliance Declaration

Based on the information available to us from our manufacturing partners and to the best of our knowledge, we can confirm and declare that the articles we supply, comply with the requirements of the European Union Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment (RoHS Directive 2011/65/EU).

We are committed to continuing to inform customers as promptly as possible about any changes or issues related to RoHS and/or REACH compliance.

If this certification is not detailed enough for the requirements of your company, BPF may be able to provide special certification through our manufacturing partners that meet with your requirements, contact us for availability and cost. This special requirement must be stated on all customer purchase orders along with the extra charge.
